**Sub: Call for participation for Capacity Building Program on Technology and Innovation in Apparel Export Sector for Women/Aspiring Entrepreneurs/Startups/Micro Enterprises**

Dear Member Exporters,

The apparel manufacturing and export industry in the next few years will be data driven right from sourcing of raw material to production, design and marketing of apparel. The industry will thus need to evolve quickly and be more innovative to adapt to technological advancement and innovations.

Given this context, in its capacity building and awareness generation efforts, AEPC will be organizing a 1 Day long Capacity Building Program on Technology and Innovation in Apparel Export Sector for Women/Aspiring Entrepreneurs/Startups/Micro Enterprises.

The program will focus on 2 components:

- i. Technology and Industry 4.0
- ii. R&D and Innovation

The Program will be organized on 19<sup>th</sup> March 2024 (Tuesday) at Apparel House, Gurugram in physical mode. The program will involve thematic lectures, panel discussions, interactive discussions etc. among others. Detailed program will be shared with the participants shortly.

The participation in the program will be free of cost. Participants will be provided a certificate of participation and refreshments.

Last date for registration will be 10<sup>th</sup> March 2024.
