AEPC/HO/R&PA/SG/2025
29th April, 2025

Sub: Request for suggestions related to Customs

Dear Member Exporters,

I am pleased to inform that AEPC was recently invited to join the Customs Consultative Group (CCG), CBIC, Ministry of Finance, Govt. of India and is now part of this group.

The Customs Consultative Group (CCG) is the national platform established by the Central Board of Indirect Taxes & Customs (CBIC), Ministry of Finance. CCG looks into and addresses import/export related issues and matters of concerns of trade and industry with a view to promote ease of doing business. Being the national platform, the CCG does not look into individual grievances.

The next meeting of Customs Consultative Group (CCG) is being scheduled and most likely to happen in the first half of June, 2025. We have been asked to submit the agenda points before 7th May, 2025.

You all are requested to provide issues/suggestions as per the format prescribed below on or before 5th May, 2025 to saurabh.kumar@aepecindia.com to enable us to take up these issues in the forthcoming meeting of CCG:

S. No.	Department/Agency	Issue	Issue in brief	Specific Request/Suggestion

This is for your information please.

Yours sincerely,

Mithileshwar Thakur
Secretary General
